# ASQ CERTIFIED SIX SIGMA GREEN BELT EXAM PREPARATION

## Get Ready for ASQ Certified Six Sigma Green Belt

In today's challenging economic environment, ASQ international certification for Lean Six Sigma Certification is formal recognition by ASQ that an individual has proficiency within, and a comprehension of, a specified body of knowledge. It is peer recognition, not registration or licensure. Those who have an ASQ Certification will be considered as a true professional and accreditation that is accepted worldwide. This program is to help and provide individuals with the necessary readiness for the certification program.
